Dear Mr JUMAH

Investment Hub contract note

On the next page you'll find your contract note(s).

Contract notes confirm details of the transactions that we've processed on your behalf so please keep them for future reference.

We issue a contract note when we buy or sell investments on your behalf, as a result of a lump sum payment in or a lump sum payment out. If it's a regular payment in or out we only send you a contract note on the first occasion.

If you've carried out transactions at different times, you may receive a number of contract notes from us.

Please be aware any proceeds from the sale of investments will be credited to your Investment Hub account on the settlement date.

If you need any more information, or if any of the details are incorrect please call us on the above number.

Yours sincerely
